Permits to perform all other fire protection work needs to be submitted to FSCI. The information and fee schedule can be found at the FSCI Website - FireSafetyFSCI.com

It is hereby agreed by the undersigned, as owner, owner's agent or contractor and the City of Greenfield that for and in consideration of, the premises and the permit for execution of installation of fire protection equipment, or any other items listed above, is to be issued and granted by the Fire Department. That the work thereon will be done in accordance with the description herein set forth in this statement. It is further agreed to alter or install in strict compliance with the City of Greenfield Fire Prevention Code and to obey any and all lawful orders of the City of Greenfield Fire Department, the Statutes of the State of Wisconsin and rules and regulations issued by the Department of Commerce under the authority of the State Statutes. Note: The City of Greenfield reserves the right to refuse to issue, modify and/or revoke any permit for cause including but not limited to false and/or inaccurate information being provided.
