

# Any Child, Many Shots!

During the months of October and November, the Health Department can provide vaccinations, including influenza, to all children 18 years of age and younger regardless of insurance status.

The Children's Clinic dates and times are as follows:

Tuesday, October 12 <sup>th</sup>	10:00 am - Noon
Thursday, October 26 <sup>th</sup>	3:00 - 5:00 pm

No appointments are necessary at these clinics and clients will be served on a first come, first served basis. Special funding allows for the administration of the flu vaccine to all children ages 6 months through 18 years, regardless of insurance status, and with no fee.

All children are encouraged to attend. Additional child and adolescent vaccinations are available as indicated.

Please call (414) 329-5275 with questions or for additional information.

NOTE: Influenza vaccine is available for adults as well. There is a charge for adult vaccine, and we can bill Medicare and certain Medicare HMOs for those 65 years of age and older.
