

CHOSUN BLACK BELT ACADEMY

Covid Precautions

7123 S. 76th St. | Franklin, WI
chosunacademy.com

- **Surfaces are wiped down** to keep the facility clean. According to Johns Hopkins School of Medicine and other credible health resources, COVID-19 is not spread through sweat. It is the respiratory droplets that are the concern.
- **Everyone is asked to wear a mask** per the Emergency Order from the Governor.
- **Temperatures are taken** when coming in the door (both students and parents) to monitor for unhealthy students.
- **Maintenance of sanitizing methods** that will prevent the spread, i.e. commercial mat cleaners as well as daily mat cleaning with virus killing cleaners from Kennedy Industries.
- **Air purification** using a commercial air and surface purifying machine 24/7.
- **Hand sanitizer** for everyone's use going on and off the training floor, as well as encouraging hand washing with soap and water.
- **Limited class sizes** to ensure the safety of social distancing.
- **Online scheduling system** for people to use to make it simple to register to come to a class. This will be an option via the mobile app as well.
- **Equipment disinfected** in between classes of use.
- **Members asked to stay home** if sick, have a temperature, or do not feel well.
