

Transportation During COVID-19

Access Healthcare and Treatment Without Putting Others at Risk

The Milwaukee County Department on Aging is coordinating transportation to medical appointments for adults who have been exposed to COVID-19.

Who: Any adult in Milwaukee County who has tested positive for COVID-19, exhibited symptoms or was directly exposed to COVID-19.

What: Transportation to medical or mental health appointments.

How: Call the Aging Resource Center to learn if you may be eligible for this transportation service. If you are found eligible, there is no cost for these rides.

Our goal is to provide critical access to healthcare for adults who have been exposed to COVID-19 and to prevent the spread of this virus by providing a safe transportation alternative.
